No One Is Lazy In LazyTown

When I move – I'm feeling alright
Bing bing bang and I'm ready to go
Jump high – from left to right
And you'll be going strong!

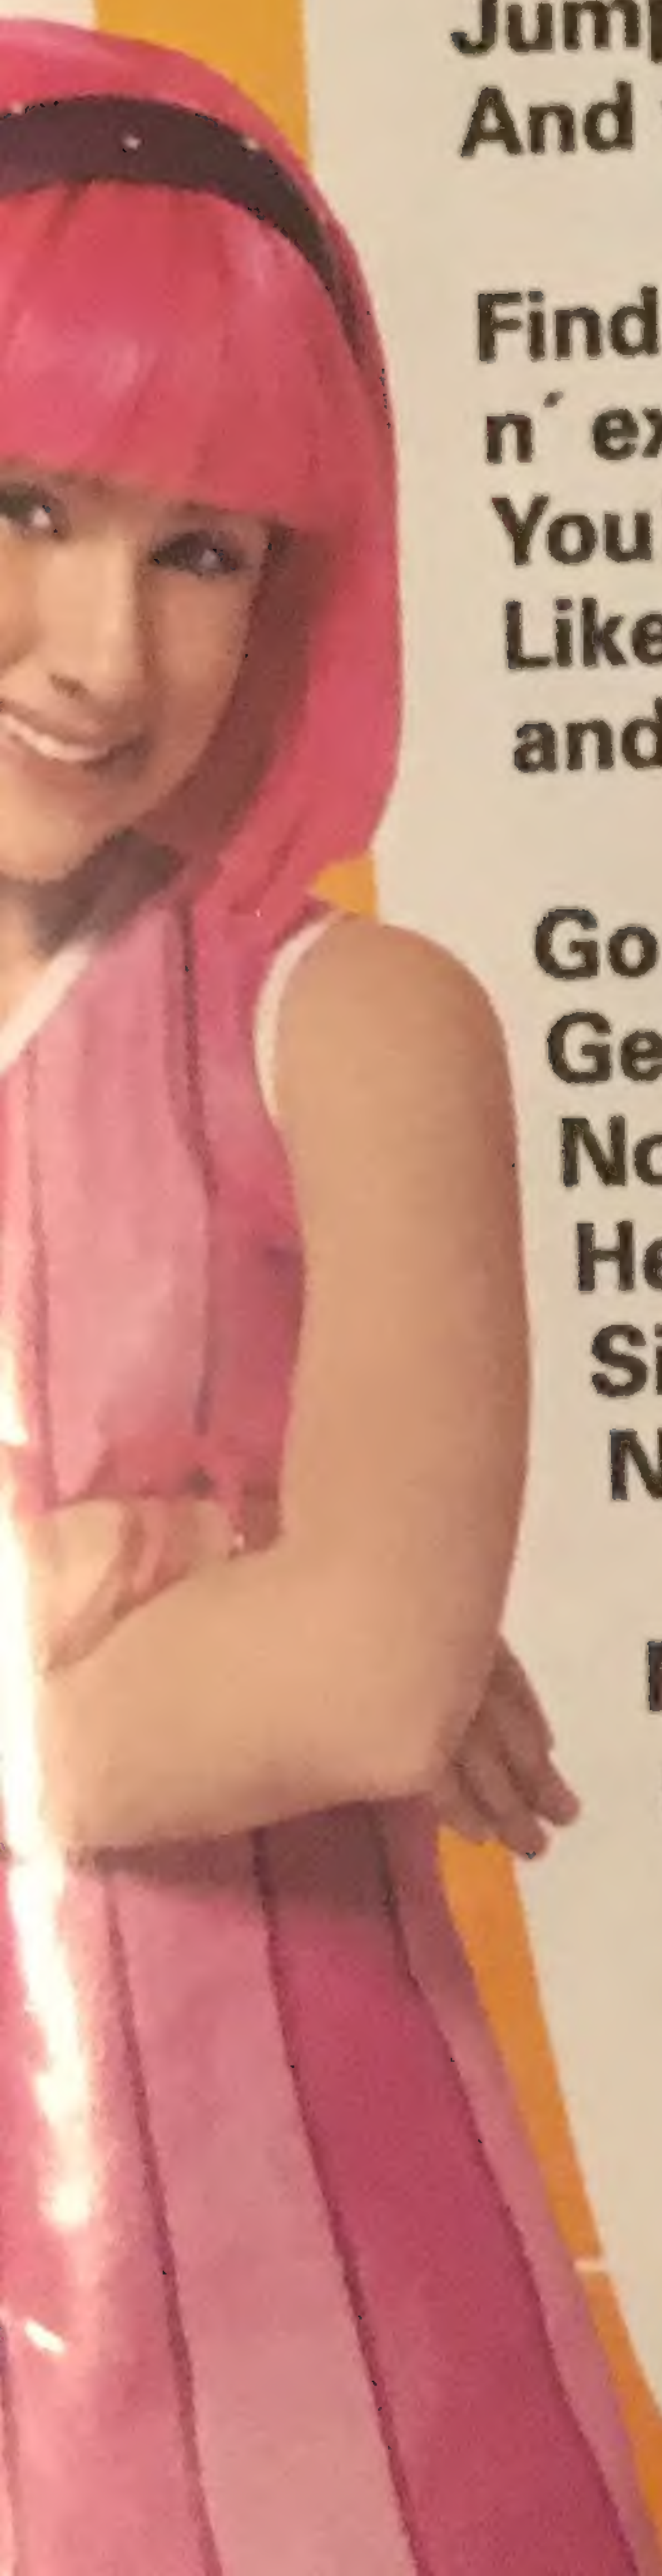

Find the beat
n' express yourself
You're racing like a train
Like a human hurricane
and we say

Go Go
Get it together
No one's lazy in Lazytown
Hey hey
Sing it together
No one's lazy in Lazytown

Find the beat
n' express yourself
Show them who you are
Show them you're a superstar
and we say

Go Go
Get it together
No one's lazy in Lazytown
Hey Hey
Sing it together
No one's lazy in Lazytown

Go Go
Get it together
No one's lazy in Lazytown
Hey Hey
Sing it together
No one's lazy in Lazytown
No one's lazy in Lazytown
No one's lazy in Lazytown

Galaxy

Look, up to the skies
Watch our rocket rise.
Past the clouds it flies
And reaches for the stars

Prepare for the race
Then we'll take a trip right into
outer space

Do do do do do do do
Who knows what we might
see
Do do do do do do do
Out in the galaxy
Do do do do do do do
Hang on, we'll be there soon
Do do do do do do do
We'll meet the man in the
moon

We'll be the first to go
And maybe say hello
To aliens that glow
On jupiter and mars

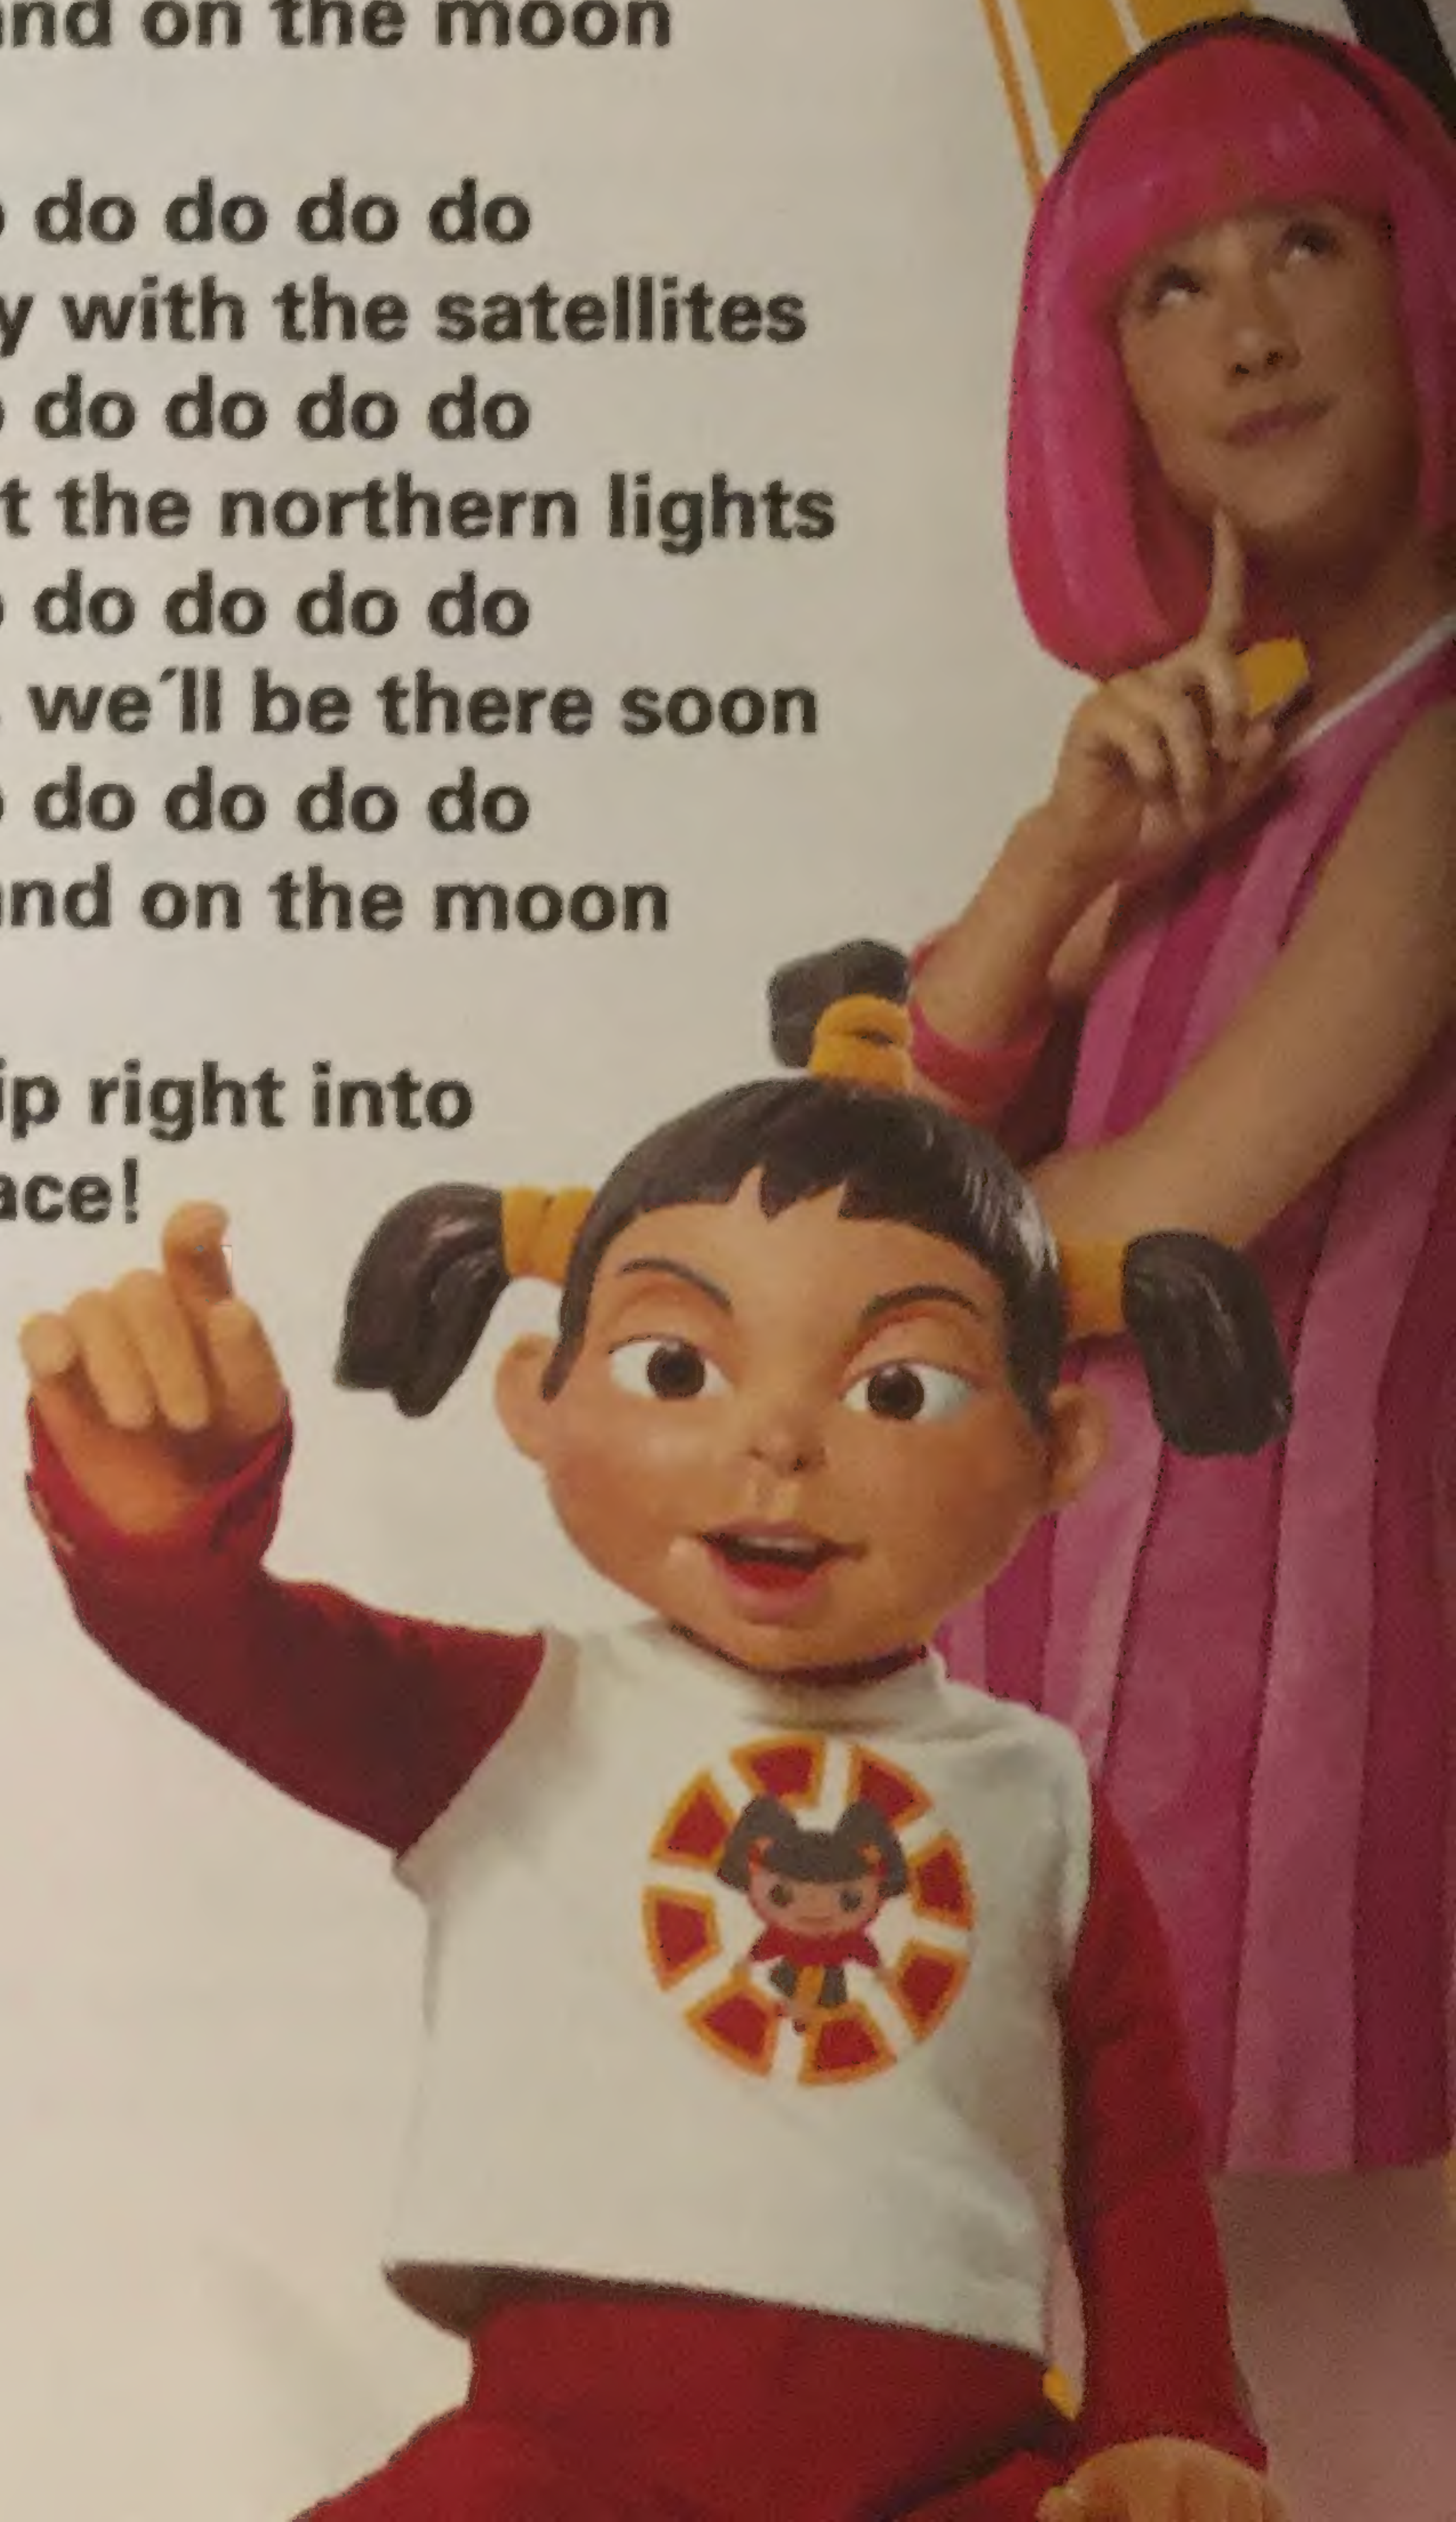

Prepare for the race
Then we'll take a trip right into
outer space

Do do do do do do do
Who knows what we might see

Do do do do do do do
Out in the galaxy
Do do do do do do do
Hang on, we'll be there soon
Do do do do do do do
Maybe land on the moon

Do do do do do do do
We'll play with the satellites
Do do do do do do do
Race past the northern lights
Do do do do do do do
Hang on, we'll be there soon
Do do do do do do do
Maybe land on the moon

Take a trip right into
outer space!

Gizmo Guy

In my cyberspace
I'm feeling happy
'cause everything's in place
Here on my floppy
It's true I can't deny
I'm just a gizmo guy

Give me a cd
A giga dvd
I love technology

I like to play
On my power PC
A mouseclick away
And life can be so easy
I feel so bright
With maxi million megabytes

I like to play
On my power PC
A mouseclick away
And life can be so easy
I feel so bright
With maxi million
megabytes

Lazy Scouts

If you wanna be a lazy scout
You gotta loaf around
with your hands in your pockets
and your eyes on the ground
Be slow, and sluggish,
And slovenly, and sleepy
Being ready isn't good -
In fact, it's just creepy

Get lazy - Get lazy
Everybody gotta Get lazy
Get Lazy - Get Lazy
Lazyscouts!

Get lazy - Get lazy
Everybody gotta Get lazy
Get Lazy - Get Lazy
Lazyscouts!

We'll walk up
the mountain
we'll go camping
and always stay outdoors.

Really?
Hahaha - Gotcha!
Lazy - Get lazy
(I wanna be a lazyscout)
Everybody gotta Get lazy
Get Lazy - Get Lazy
(I wanna be a lazyscout)
One, two, three, four
(Everybody)

(I wanna be a Lazyscout)
Everybody gotta Get lazy
(One two, three four!)
Get Lazy - Get Lazy
(I wanna be a lazyscout)
Lazyscouts!
(One more time!)
Lazyscouts

Step By Step

Make a plan
Follow through
Choose your colours
Red or blue
Use your brains
And your skills
Then you'll start to build

Watch it grow
Before your eyes
Your dreams will be alive!

Step by step
It will come into view
You know you're gonna
make your dream come true.
Step by step
It's all up to you
Then pretty soon you'll show
the whole wide world
You made something new

Cut it once
But measure twice
It always pays
To be precise
Grab a nail
A hammer too
Gather up your tools

Give your best
From the heart
You'll make a work of art

Step by step
It will come into view
You know you're gonna
Make your dream come true
Step by step
It's all up to you
Then pretty soon you'll show
The whole wide world
You made something
new

Have You Ever

Have you never skipped rope?
Huh-huh-huh-huh-huh-huh
Have you never played ball?
Huh-huh-huh-huh-huh-huh
Never jumped around?
Huh-huh-huh-huh-huh-huh
Have you never danced at all?

Skipping rope left and right.
(Ziggi) Real fast!
Crossing over and back.
(Stingy) That's neat!
Hit the ball on your head.
(Trixie) That looks hard!
Knees, chest and feet!

You gotta listen to me.
Can't you see?
That:
Life is full of games.
And they make you feel so
happy.
You know they make you
wanna fly,
So play games all your life.

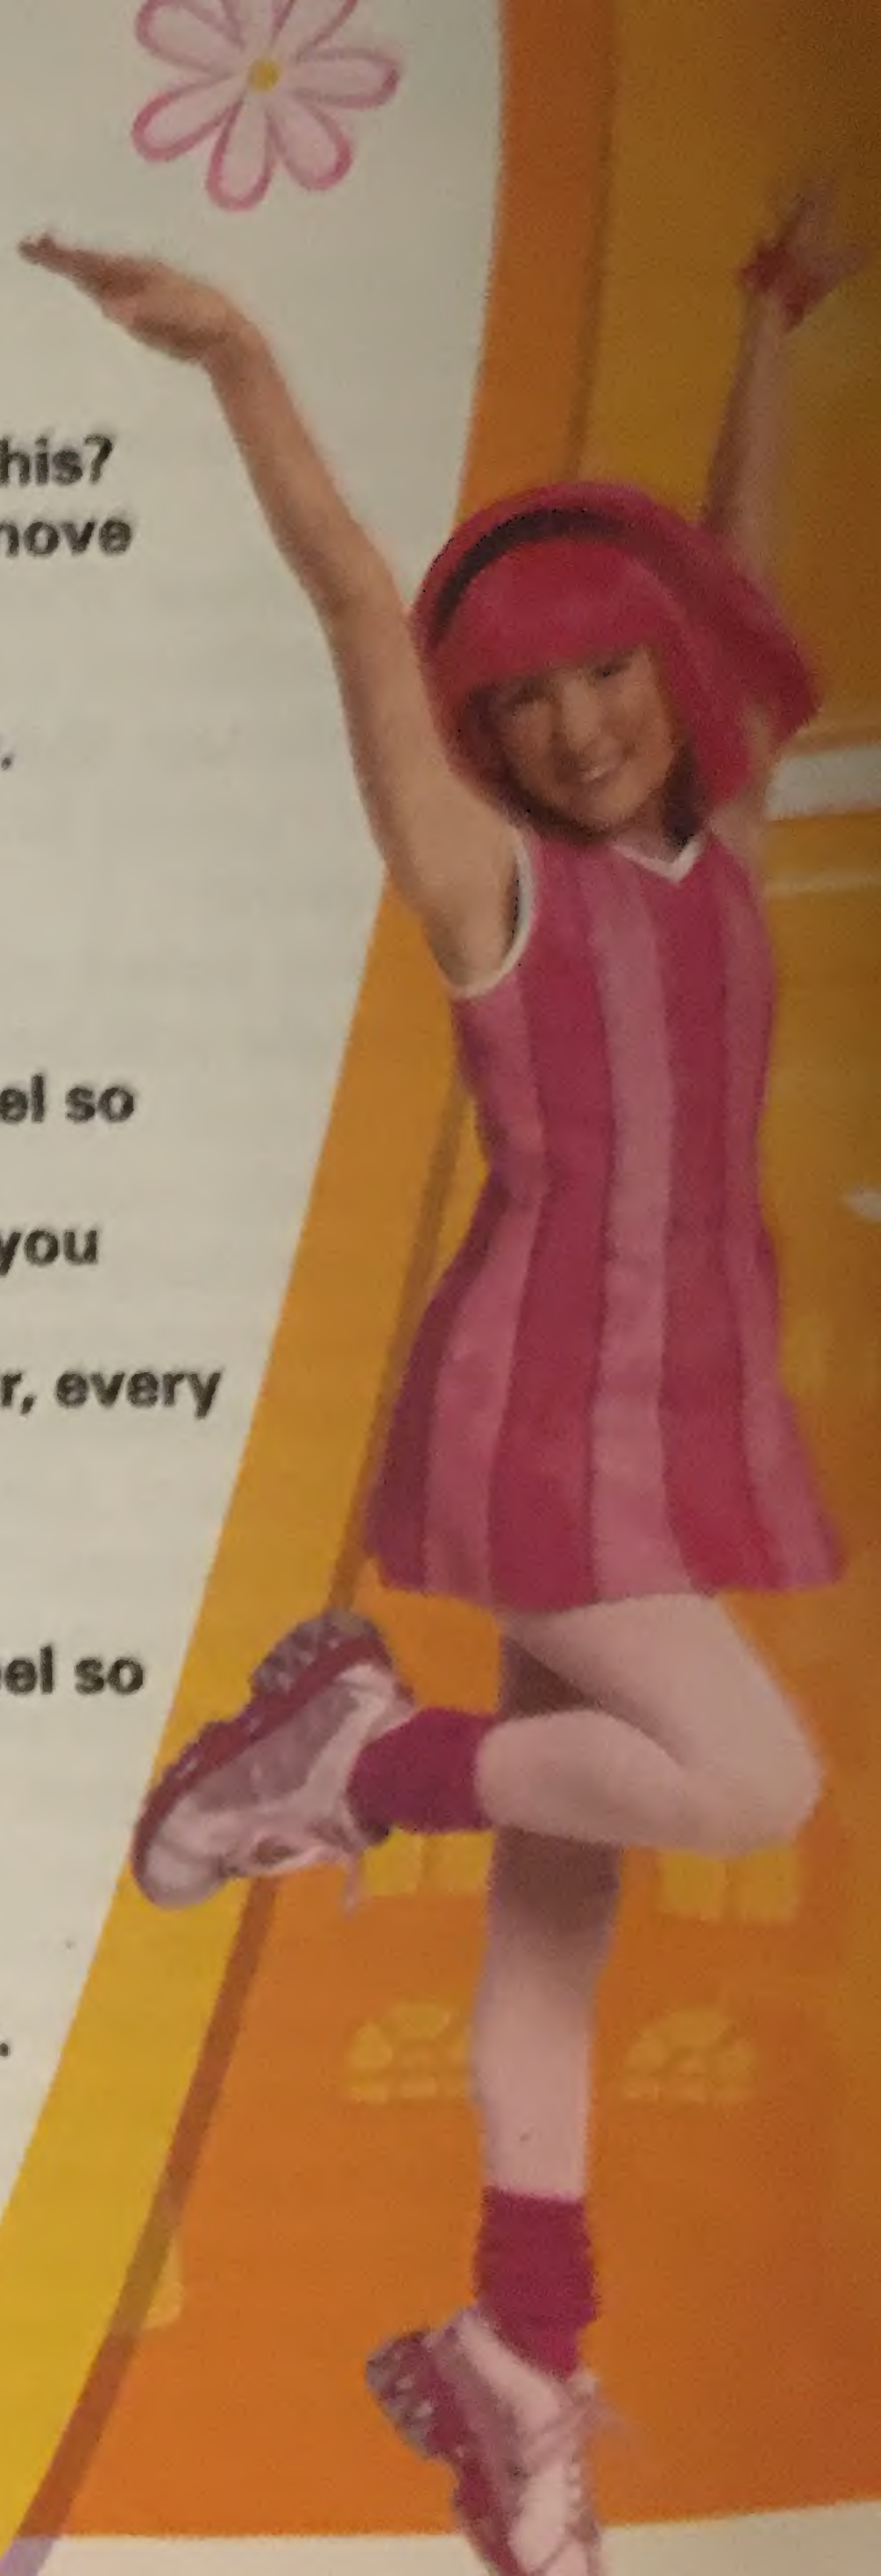

Jumping forward and back
(Stingy) I can do that!
Now try it reversed!

(Trixie) No -- timeout!
Dance to the beat.
(Pixel) You mean like this?
Clap your hands and move
about!

You gotta listen to me.
Can't you see?
That:

Life is full of games.
And they make you feel so
happy.
You know they make you
wanna fly,
So play games all your, every
single.

Life is full of games.
And they make you feel so
happy.
You know they make
you wanna fly,
So play games every
single day of your life.

Always a Way

If things don't work out like
you want this time around
You can try to turn the
problem upside down

There's no use in crying
You gotta keep trying
Because in the end you will
discover there is

Always a way
You've gotta know you can
make it
There is always a way
You gotta believe in yourself
Soon you'll be shining
'cause you never stopped
trying

Really believe -
there is always a way.

Always a way
You've gotta know you can
make it
There is always a way
You gotta believe it
You gotta believe it

Always a way

You've gotta know you can
make it
There is always a way
You gotta believe in yourself

Soon you'll be shining
'cause you never stopped trying

Really believe -
there is always a way.

Energy

**If you wanna be the talk of the town
You need energy**

**If you wanna jump around
You need energy**

**There's nothing really like it
You only have to move around until
you get your feet off the ground**

**You have to try it - to believe it
You got energy – and you're on your
way.**

**Energy – we're gonna make it happen
Energy – we're gonna make it happen**

**There's nothing really like it
You only have to move around until
you get your feet off the ground**

**You have to try it - to believe it
You got energy –
and you're on your way.**

Spooky Song

Sometimes things are really hairy!
Sneaking up when you are wary!
Big ol' eyes all red and glary!
Creatures in the dark are scary!
Shssss

Beneath the bed, ghosts are ooky!
Skeleton bones are kooky!
Your teddy bear's name is Pooky,
Late at night he's spooky!

BOO!

Dibbidy-dee it's only me
Boobidy-boo I scared you
Flick on the light there's nothing there
Everything's vanished in the air.

Dibbidy-dee it's only me
Boobidy-boo I scared you
Flick on the light there's nothing there
Everything's vanished in the air.

Close your eyes when you are
sleepin',
Centipedes and spiders creep in,
Shadows on the wall come sneakin'.
In the dark you are freakin'!

BOO!

Dibbidy-dee it's only me
Boobidy-boo I scared you
Flick on the light there's nothing
there
Everything's vanished in the air.

Close your eyes, rest your head.
Time to go to...

BOO!

Dibbidy-dee it's only me
Boobidy-boo I scared you
Flick on the light there's
nothing there
Everything's vanished in the
air.

Dibbidy-dee it's only me
Boobidy-boo I scared you
Flick on the light there's
nothing there
Everything's vanished in
the air.

Flick on the light
there's nothing there
Everything's vanished
in the air.

BOO!!

Cooking By The Book

I pile on the sweets
It's such a pretty sight
It makes the food taste a treat
but my tummy hurts all night

I'll put in some ingredients
but keep the rest for me
I'm not just disobedient
I'm careful can't you see?

It's a piece of cake to bake a
pretty cake
If the way is hazy
You gotta do the cooking by the
book

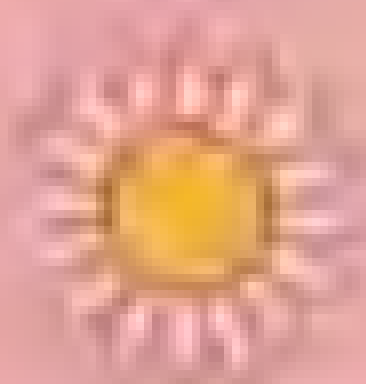

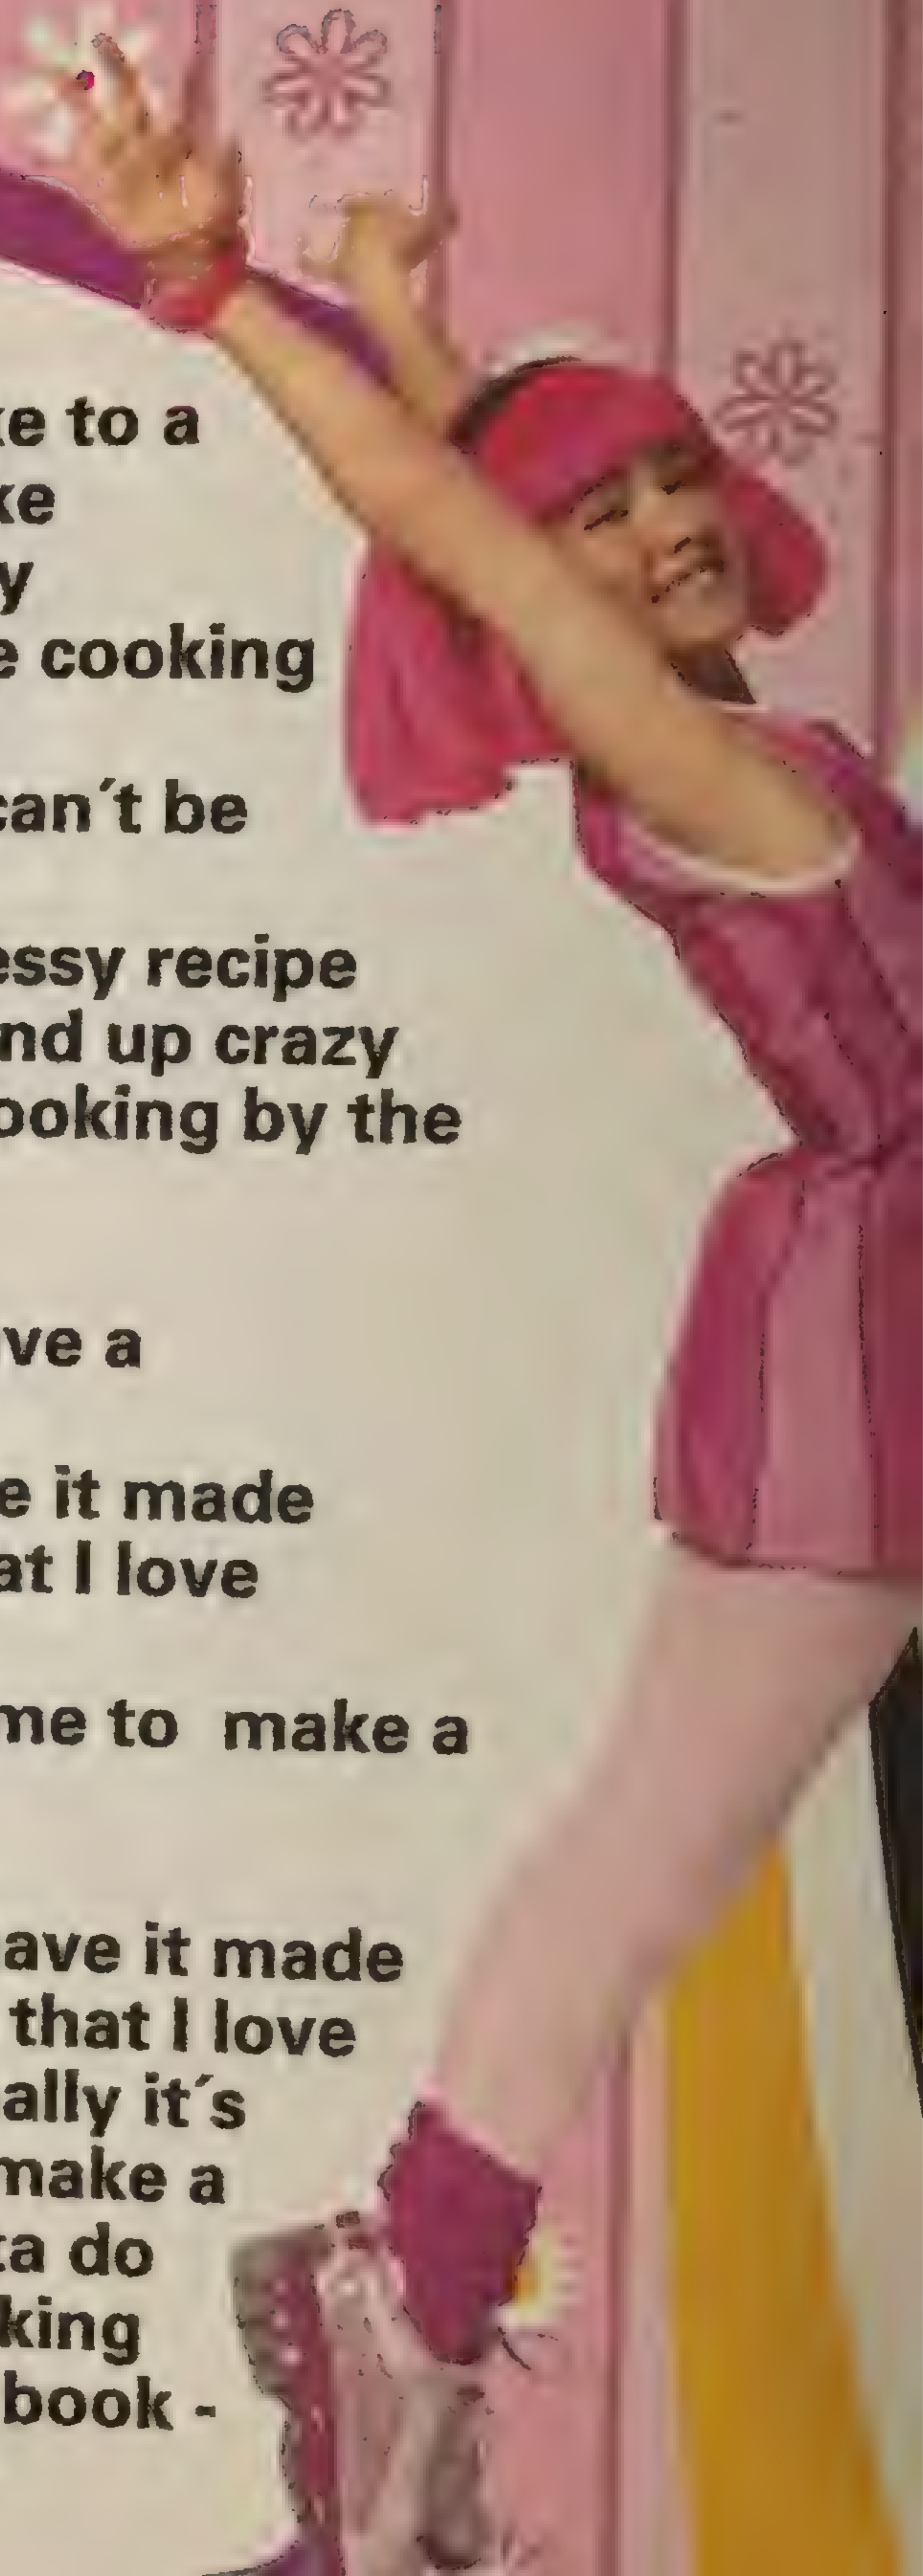

You know you can't be lazy
Never use a messy recipe
The cake will end up crazy
If you do the cooking by the book

Then you'll have a
Cake – we gotta have it made
You know that I love
Cake – finally it's time to make a
cake

Making food is just like science
With tools that blend and baste
And every fun appliance
Gives the food a different taste!

It's a piece of cake to a
bake a pretty cake
If the way is hazy
You gotta do the cooking
by the book
You know you can't be
lazy
Never use a messy recipe
The cake will end up crazy
If you do the cooking by the
book

Then you'll have a
Cake –
we gotta have it made
You know that I love
Cake –
finally it's time to make a
cake
Cake –
we gotta have it made
You know that I love

time to make a

Master of Disguise

Ha-ha-ha

I'm the Master of Disguise.
I can vanish from your eyes.

I can be in different places,
With my many funny faces,
In disguise....
Ha-ha ha ha

Sometimes it's so nifty,
When I'm really,
really shifty,
In disguise.

IT'S DISGUISE TIME!

It's so easy to deceive you

With my sneaky little tricks
And I make you believe
each character that I pick

When you look for me,
I'm gone in front of your eyes.
People call me:
the Master Of Disguise!

I'm as sneaky as can be.
No one's sneakier than me.

I can get so sly and loathing
When I dress in other clothing.
In disguise....

You'll walk right by me.
Not knowing that I'm slimy.

A scary dinosaur
With a loud ferocious roar
I'm so glad

That I'm so tricky.
Even so Saint Nicky.

When you look for me,
I'm gone in front of your
eyes.
People call me:
the Master Of Disguise!

Good Stuff

What goes up, must come down
People always tell me
But if you put a seed in the ground,
you'll see
What goes down - must come up!
What goes down - comes up!

When things start to grow
Good stuff starts to flow.

It's the Good stuff
It's the energy
We're growing good stuff
It's the remedy
We're growing good stuff
The best things in life are free.

Plant what you wanna grow
Good stuff starts to flow

It's the good stuff
It's the energy
We're growing good stuff
It's the remedy
We're growing good stuff
The best things in life are free..

Twenty times up and twenty times down!

Twenty times left and twenty times right

That makes you get up and go

Bing Bang

Bing bang diggiriggidong
First thing that I say after I wake up
Bing bang diggiriggidong
I say those words before I go to sleep

Get on up it's time to dance yeah
It's so much fun being up on our feet

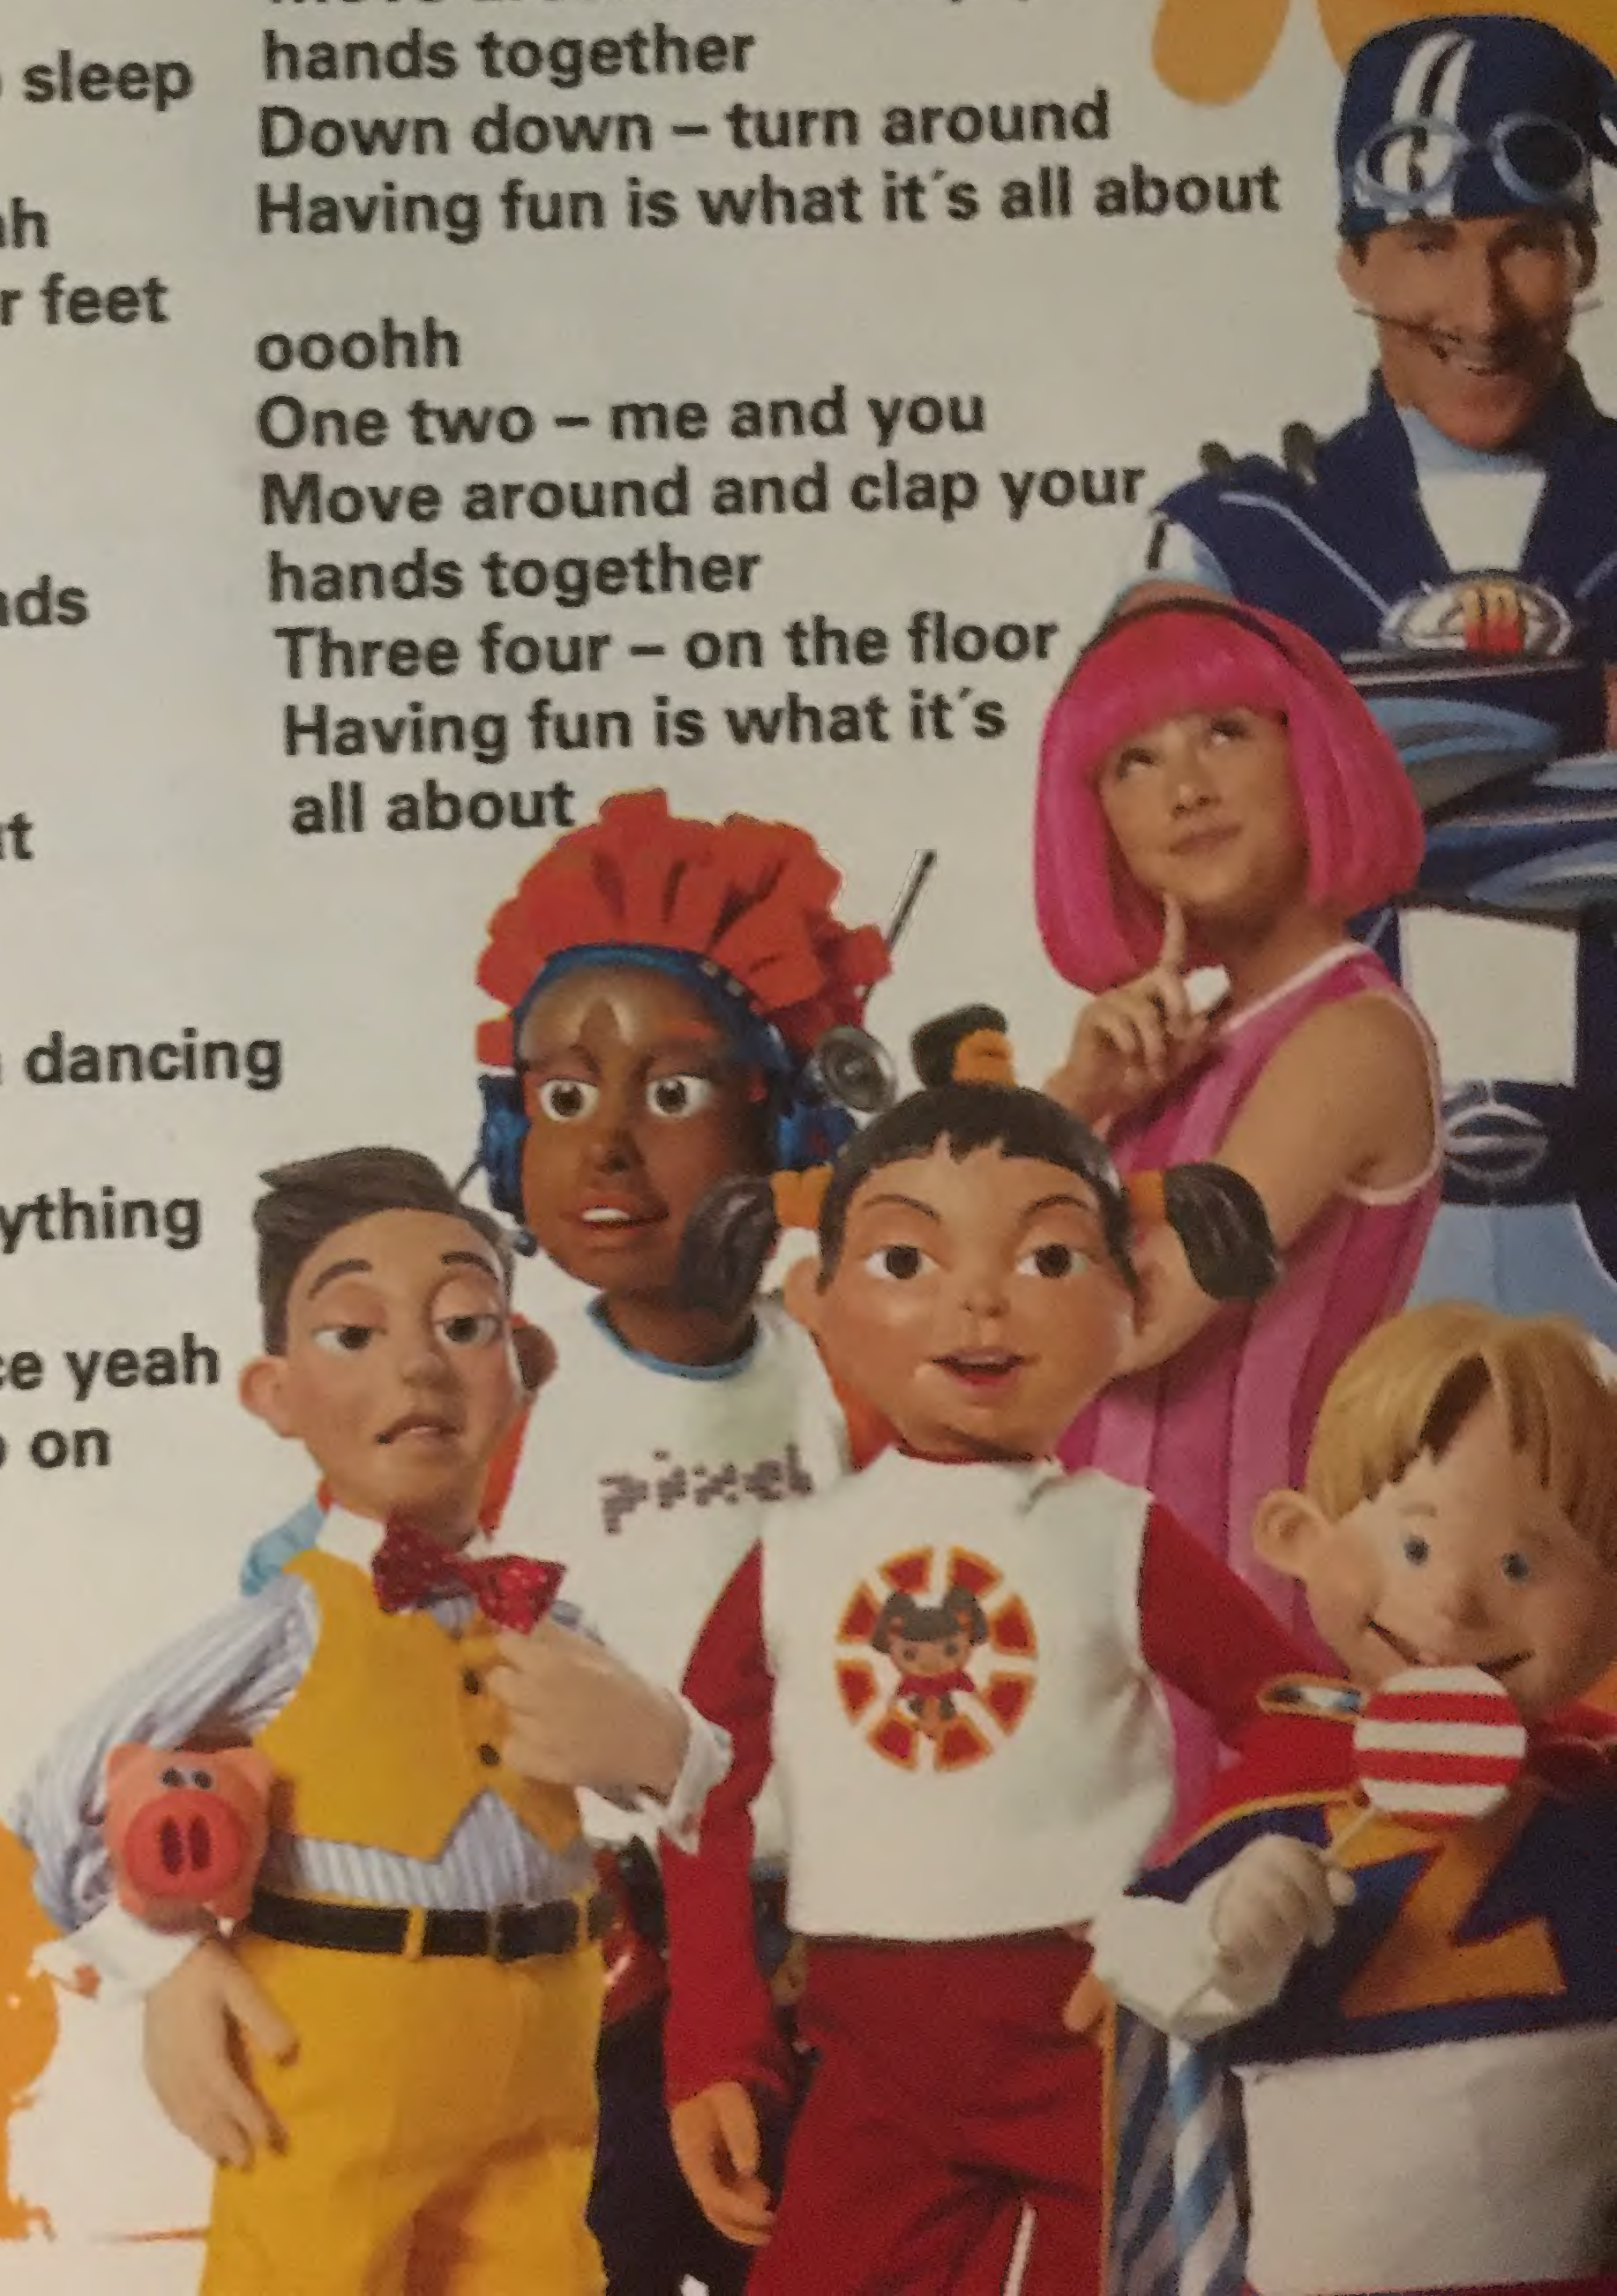

So we go
Up up – do the jump
Move around and clap your hands
together
Down down – turn around
Having fun is what it's all about

Bing bang diggiriggidong
Funny words I sing when I am dancing
Bing bang diggiriggidong
Silly words that can mean anything

Get on up it's time to dance yeah
It's so much fun being up on
our feet

So we go
Up up – do the jump
Move around and clap your
hands together
Down down – turn around
Having fun is what it's all about

ooohh
One two – me and you
Move around and clap your
hands together
Three four – on the floor
Having fun is what it's
all about
